

Wildlife Crossings Pilot Program (WCPP)
FY24-25 Applications Received

Project State	Applicant	Project Title
AK	State of Alaska	Glenn Highway Wildlife-Vehicle Collision Mitigation Study
AZ	Arizona Department of Transportation	Arizona Interstate-17 Mitigation of Wildlife-Vehicle Collisions and Habitat Fragmentation Kelly Canyon to Flagstaff Project
AZ	Arizona Department of Transportation	Arizona Statewide Wildlife Connectivity Assessment Tool and Action Plan
AZ	City of Scottsdale	Scottsdale Sonoran Desert Wildlife Crossing
CA	California Department of Parks and Recreation, Monterey Dist	Improving Habitat Connectivity and Wildlife Safety at Moss Landing State Beach - Design and Permitting
CA	California Department of Transportation	Blue Canyon Wildlife Barrier Remediation Project - Install a safe wildlife crossing through a high-traffic area of Interstate 80 in Placer County. Restore Wildlife connectivity and reduce collisions.
CA	California Department of Transportation	O'Leary Creek Culvert Replacement Project
CA	California High-Speed Rail Authority	California High-Speed Rail: Central Valley 119-Mile Wildlife Crossing Monitoring Program
CA	Coachella Valley Association of Governments	Addressing Climate Change, Emergencies and Sandstorms (ACCESS) Indian Canyon Drive
CA	El Dorado County Transportation Commission	El Dorado County U.S Highway 50 Wildlife Vehicle Collision Mitigation Project
CA	Mono County	Mammoth Lakes US 395 Wildlife Crossing Project
CA	Riverside County Transportation Commission	Funding request for the construction of a wildlife crossing underneath Ramona Expressway and acquisition of adjacent land parcels for the development of a contiguous wildlife corridor.
CA	Santa Clara Valley Transportation Authority (VTA)	Highway 17 Wildlife Crossing Project
CA	Santa Clara Valley Transportation Authority (VTA)	Pacheco Pass Wildlife Directional Fence Project
CO	Clear Creek County	US Highway 40 Empire Wildlife Crossing Project
CO	Colorado Department of Transportation	The I-70 East Vail Pass Wildlife Crossings Project ("Project") will construct new wildlife crossings and fencing on Interstate 70 (I-70) in rural Summit County, Colorado.
CO	Larimer County	US Highway 287 Safe Wildlife Movement
CO	Las Animas County	Design and construct a wildlife underpass and wildlife fencing along I-25 between MP 0 and 4.3.
CO	U.S. Fish and Wildlife Service	Wildlife Crossing Design at Rocky Flats National Wildlife Refuge/Boulder County, CO
FL	Florida Department of Transportation	The Bullfrog Creek Safe Animal Passage Project
FL	Florida Department of Transportation	US 27 Venus Wildlife Crossing

Wildlife Crossings Pilot Program (WCPP)
FY24-25 Applications Received

FL	Marion County Board of County Commissioners	Marion County, Florida's Southwest 49th Avenue Wildlife Crossings and Connectivity Project
GA	Georgia Department of Transportation	Georgia Statewide Best Practices and Decision-Making Tools for Wildlife Crossing and Safety Considerations
GA	Jekyll Island State Park Authority	Downing-Musgrove Causeway Wildlife Fencing Project
HI	Hawai'i Department of Transportation	Pālama Ke Ala: A Research-Driven Initiative to Reduce Wildlife-Vehicle Collisions on the Daniel K. Inouye Highway, Hawai'i Island
ID	Transportation, Idaho Department of	US-30 Rocky Point Wildlife Crossing Project
MA	Massachusetts Department of Transportation	I-90: Mass Pike Appalachian Trail Pedestrian-Wildlife Shared Use Crossing
MD	State Highway Administration of Maryland Dept Transportation	Maryland Statewide Planning, Design and Technology to Reduce WVCs
ME	MaineDOT	Caribou Wildlife and Aquatic Habitat Crossings Project
MI	Michigan Department of Transportation	Michigan Statewide Wildlife Vehicle Collision Hot Spot Analysis
MN	Independent dispatcher truc-king Matote LLC	Safe Passage for Wildlife
MO	Missouri Department of Transportation	MoDOT I-70 WVC Mitigation and Habitat Connectivity Project
MT	Montana Department of Transportation	Cougar Creek Bridge Replacement and Wildlife Accommodations Project, Gallatin County, Montana
MT	Montana Department of Transportation	U.S. Highway 191 Wildlife Crossings, Gallatin County, Montana
MT	Montana Department of Transportation	US-93: Darby, Montana to Idaho Wildlife Crossing Feasibility Study
NC	North Carolina Department of Transportation	I-26 Madison Co
NC	North Carolina Department of Transportation	I-40 Haywood Co
NC	North Carolina Department of Transportation	US 64 Red Wolf Crossings Project
NC	North Carolina Department of Transportation	US 64 SAFETY
ND	North Dakota Department of Transportation	Teddy Roosevelt Pronghorn Promenade
NH	State of New Hampshire	Building Under-Road Wildlife Crossings for Critical Habitat Connectivity and Reduced Collisions in the Connecticut River Valley of New Hampshire
NH	State of New Hampshire	Re-Connecting the Bowman Divide
NM	New Mexico Department of Transportation	US 550 Wildlife Crossing Project, NMDOT
NM	Pueblo of Santa Ana	Sandia-Jemez Mountain Wildlife Corridor Crossings Project
NV	Nevada Department of Transportation	Spooner Summit Wildlife and Trail Crossings Planning Study
NV	Nevada Department of Transportation	The Coyote Springs Tortoise Crossings Project

Wildlife Crossings Pilot Program (WCPP)

FY24-25 Applications Received

NY	New York State Department of Transportation	New York Statewide planning study to reduce WVCs and improve habitat connectivity.
NY	Suffolk County	Study of 2 corridors for wildlife collision mitigation
OR	Oregon Department of Transportation	Mariposa Preserve Wildlife Overcrossing Project
OR	Oregon Department of Transportation	Newberry Wildlife Passage (U.S. 97) Project
TX	Texas Department of Transportation	Ocelot Odyssey: Conservation Through Innovation in Monitoring and Research of Endangered Species in South Texas
TX	U.S. Fish and Wildlife Service	Construction of Ocelot Underpass Crossings South at Laguna Atascosa National Wildlife Refuge
