551 South Forks Ave  
Forks, WA 98331

Project Partner:  
Jefferson County

Contractor:  
Interwest Construction Inc.  
Sequim, WA

Notice to Proceed:  
February 24th, 2021

Fixed Completion Date:  
September 23rd, 2023

U.S. Department  
of Transportation

**Federal Highway  
Administration**

#### Construction Activities and Upcoming Work

This week, Interwest Construction, Inc. (ICI) continued delivering material for Engineered Log Jam (ELJ) construction. ICI's pile driving subcontractor, Greyrock Drilling, completed mobilizing their pile driving equipment and setting up for pile driving operation for the foundation of the new Tower Creek bridge (MP 7.8). Greyrock started driving the temporary sheet pile at the end of this week. The purpose of this sheet pile is to function as a temporary retaining wall to maintain integrity of the existing bridge approach and roadway while partial excavation is done for the new bridge foundation. Next week, ICI and Greyrock will continue driving temporary sheet pile and begin driving the new bridge foundation pipe pile at Tower Creek.

#### Impacts to Traffic

- Travelers can expect Temporary Traffic Control Flaggers and or signals between MP 7 and MP 8 of Upper Hoh Rd
- Expect delays up to a total of 30 minutes per passage through the project corridor Monday through Friday from 8AM-5PM
- Olympic National Park and businesses along Upper Hoh Road will remain accessible at all times during construction.
