of Transportation

**Federal Highway
Administration**

Construction Activities and Upcoming Work

As of this week, all of the remaining work on the Upper Hoh River Road Phase 2 project has been completed, including: hydroseeding, willow plantings, guardrail installation, and roadway striping.

The project is now substantially complete.

Western Federal Lands Highway Division and Interwest Construction Inc (ICI) thank everyone for their patience and cooperation throughout the construction of this project over these past 3 years.

Impacts to Traffic

- No remaining impacts to traffic, the roadway is open to normal two-way traffic through all project sites.
