

ASSOCIATION OF PEDESTRIAN
& BICYCLE PROFESSIONALS
Expertise for Active Transportation

Our Mission:

APBP is a community of practitioners working to create more walkable, bikeable places.

We foster peer knowledge sharing, advance technical expertise, and support the professional development of our members.

Member Benefits

- Monthly Webinar Series
- Policy work on behalf of practitioners
- Mentor Program
- APBP Conference and Walk Bike Places registration discounts
- Scholarships
- APBP Community List Serve

Policy Statements

- Automated Driving Systems
- Complete Streets
- E-Bikes
- Performance Measures
- Shared Micromobility Systems
- Vision Zero

Available as Resources on
apbp.org

Vision Zero Elements

- Anticipate Human Error
- Reduce or Eliminate Opportunities for Crashes and Crash Severity
- Create an Action Plan that lays out:
 - Actionable strategies
 - Timelines
 - Priorities
 - Meaningful community engagement
 - Emphasis on equity
- Measure and assess progress

Vision Zero Strategies that support a Safe System Approach

- Context based speed limits – web-based tools such as USLIMITS2
- Intersection improvements – marked crosswalks, raised medians and pedestrian refuge islands, leading pedestrian intervals, exclusive left turn phasing, pedestrian hybrid beacon, lighting, roundabouts
- Separation of modes as roadways become more complex – sidewalks, shared use paths, separated bike lanes
- Road diets – reallocation of space to support improvements for walking and cycling

Future Events

- Professional Development Webinar Series
 - Crash Reporting, Transit Station Connectivity, Cycle Highways, Night-time Street Safety, Speed Management
- Quarterly Policy Webinars on the latest developments in federal transportation policy and legislation
- 25th Anniversary Celebration
- 2021 APBP Conference (Minneapolis/St. Paul in August)
