of Transportation
**Federal Highway
Administration**

Construction Activities & Upcoming Work

June 27, 2024

The contractor worked on removing existing pavement, roadway excavation, finishing slopes, placing select borrow in roadway, and culvert installations. Be mindful of the off-road rock trucks being used throughout the project site. Bridge subcontractor will be finishing the bridge rail in preparation of conveying public traffic on the new bridge soon. Be cautious of the changing traffic patterns during construction operations.

Traffic Delays

No work over holiday 7/4 –7-6.
Contractor will be beginning new shift hours on July 7th, working nights and implementing 6 hour road closures.

Sunday - Thursday, 7pm-7am
Road closed between 11pm-5am
(except for emergency vehicles)
