2213 South F Street

Springfield, OR 97477

Notice to Proceed:

01/22/2025

Fixed Completion Date:

10/31/2026

Project Description:

This project includes the construction of a new 460 foot long bridge, the creation of 18 stations of new roadway alignment, the removal of the existing bridge and the obliteration of the existing roadway approaches.

Project Staff:

Matt Poppe

Larry Quirk

Holly Sim

Current Construction Activities:

Hamilton Construction began work on the Sun River Bridge Replacement Project this week. Construction activities included surveying, the installation of signage, mobilization, clearing and grubbing and the installation of erosion control devices throughout the project area.

March 27, 2025

Upcoming Construction Activities:

Clearing and grubbing will continue along with the preparation and excavation of the abutment locations on both the east and west sides of the Sun River.
