Construction Activities & Upcoming Work

As a mid winter reminder the project is currently in winter shutdown and work is expected to start up again in April/May 2026.

Please Use Caution when traveling and be aware of oncoming traffic, during day, night, weekdays, and weekends. It continues to be a single traffic lane through the construction site at the Crane Tower. Concrete barriers has been installed to protect the traveling public and the project site. The speed limit continues to be 15 mph thru this area during the 2025 Construction Season. Thank you for your cooperation and understanding.
