Construction Activities & Upcoming Work

This past week the contractor continued installing borrow material for the Lathrop Street extension. They also began installing sheet pile in the slough to prepare for the 48-inch culvert installation.

Next week the contractor will continue installing borrow material for the Lathrop Street extension. In addition, they will begin working on reshaping the Motorized Boat Launch landscape islands and grading around head bolt outlet (HBO) posts at the Non-Motorized Boat Launch.

Traffic Closures

This coming week portions of the Motorized Boat Launch parking lot will be closed off and a partial closure on the Non-Motorized Boat Launch around the HBO posts, Tuesday-Friday, 7am-7pm. No work on site on Labor Day.
