1220 38th St N
Great Falls, MT 59405

Project Partner:

USFWS

Contractor:

Battle Ridge Builders, LLC
354 Countryside Ln
Belgrade, MT 59714

Notice to Proceed:

2/13/2023

Fixed Completion Date:

9/27/2023

Project Description:

Improvements to several stream crossings on Routes 101, 201 and 220, including culvert replacement, drainage improvements, bridge installations and roadway betterment.

U.S. Department of Transportation

Federal Highway Administration

Rock Creek Bridge minor concrete placement next week.

Final grading and completion of punch list items at Seven Mile Culvert next Week.

Construction Activities:

September 22, 2023

At Sand Creek, select borrow placement and compaction has been completed. Next week, crews will reestablish streambed, final grading and removal of waste materials. At Rock Creek minor concrete placement will begin after reinforcing steel is set and approved. At Nichols Creek the work is completed.

Final completion at Nichols Creek

Work Schedule:

Monday—Thursday 7:00—5:00

Delays and Closures:

Delays: Continued minor delays of up to 20 minutes throughout the project due to construction operations. Please have patience during construction.

ROAD CLOSURES: The Sand Creek crossing (Route 220) and the Rock Creek crossing (Route 201) will have intermittent closures. Motorists could experience up to full single day closure per construction needs, however there is a construction bypass in place that will allow vehicle passage in most cases.
