The Secretary of the U.S. Department of Transportation concurs with the Federal Highway Administration's (FHWA) recommendations regarding the allocation of FY 2019 Disadvantaged Business Enterprise/Supportive Services (DBE/SS) funds to State Departments of Transportation in the amounts set forth in Table 1 below. All Divisions should ensure that the actual obligated funds for your State reflect the funding amount listed in Table 1.

The FHWA Office of Civil Rights (HCR) reviewed each DBE/SS Statement of Work and concurs with the Divisions' recommended approval. Please be sure to upload all DBE/SS accomplishment reports your Division receives from the State to [here](#) in the respective State's folder.

We apologize for the late date in which we are allocating FY2019 funds. We will begin soliciting statements of work for FY 2020, within the next month. Should your State wish to continue its work under the FY2019 approved program it may do so. Details on the FY 2020 DBE/SS program will be issued soon.

By copy of the memorandum, HCR requests the Office of the Chief Financial Officer Fiscal Management Information System (FMIS) Team process the amounts to the States listed in Table I below.
