

EASTERN FEDERAL LANDS ACCESS PROGRAM

The Programming Decisions Committee (PDC) responsible for the Iowa Federal Lands Access Program (FLAP) has selected its initial, multiyear Program of Projects. The projects identified for programming for the Iowa FLAP are listed below in no particular order and include:

Iowa Program of Projects for Fiscal Years 2013-2014

Application No.	Project/Facility Name	Project Type	Federal Land Accessed	Applicant	County
IA-01	Great River Road	Planning for Bicycle Trail Linkage	U.S. Fish and Wildlife Service - Port Louisa National Wildlife Refuge	Louisa County	Louisa
IA-02	Neal Smith Trail	Trail Renovation	U.S. Army Corps of Engineers - Saylorville Lake	City of Des Moines	Polk
IA-04	170th Street	Resurfacing & Rehabilitation	U.S. Army Corps of Engineers - Mississippi River Project Lands	Clinton County Secondary Road Department	Clinton

The next step in the process will be to develop project agreements between Eastern Federal Lands Highway Division and the State/Local Agency partners. The amount of funds allocated will depend on finalizing these project agreements. Funding for these projects is not guaranteed. Funding beyond 2014 is dependent on reauthorization of the Access Program by Congress. The Iowa PDC does not have a firm date for the next call for projects under the Access Program, but another call is anticipated within the next year.
