

EASTERN FEDERAL LANDS ACCESS PROGRAM

The Programming Decisions Committee (PDC) responsible for the Minnesota Federal Lands Access Program (FLAP) has selected its initial, multiyear Program of Projects. The projects identified for programming for the Minnesota FLAP are listed below in no particular order, and include:

Minnesota Program of Projects for Fiscal Years 2013-2014

Application Number	Project/Facility Name	Project Type	Federal Land Unit Accessed	Applicant	County
MN-03	Forest Highway 3	Resurfacing & Rehabilitation	U.S. Forest Service - Chippewa National Forest	Beltrami County	Beltrami
MN-04	Minnesota River Greenway- Black Dog Trail Segment	Trail Construction	U.S. Fish and Wildlife Service - Minnesota Valley National Wildlife Refuge	City of Burnsville	Dakota
MN-06	Mississippi River Trail - Spring Lake Park Reserve	Trail Construction	National Park Service - Mississippi National River and Recreation Area	Dakota County Office of Planning	Dakota

The next step in the process will be to develop project agreements between Eastern Federal Lands Highway Division and the State/Local Agency partners. The amount of funds allocated will depend on finalizing these agreements. Funding for these projects is not guaranteed. Funding beyond FY 2014 is dependent on reauthorization of the Access Program by Congress. The Minnesota PDC does not have a firm date for the next call for projects under the Access Program, but another call is anticipated within the next year.
