

## EASTERN FEDERAL LANDS ACCESS PROGRAM

The Programming Decisions Committee (PDC) responsible for the South Carolina Federal Lands Access Program (FLAP) has selected its initial, multiyear Program of Projects. The projects identified for programming for the South Carolina FLAP are listed below in no particular order and include:

### South Carolina Program of Projects for Fiscal Years 2013-2014

Application No.	Project/Facility Name	Project Type	Federal Land Accessed	Applicant	County
SC-06	South Carolina Highway 161	Resurfacing	National Park Service - Kings Mountain National Military Park	SC Department of Transportation	York
SC-07	South Carolina Highway 248	Resurfacing	National Park Service - Ninety Six National Historic Site	SC Department of Transportation	Greenwood

The next step in the process will be to develop project agreements between Eastern Federal Lands Highway Division and the State/Local Agency partners. The amount of funds allocated will depend on finalizing these project agreements. Funding for these projects is not guaranteed. Funding beyond 2014 is dependent on reauthorization of the Access Program by Congress. The South Carolina PDC does not have a firm date for the next call for projects under the Access Program, but another call is anticipated within the next year.
