

**PRELIMINARY AGENDA****FHWA Evaluation of Low-Cost Safety Improvements Pooled Fund Study****2015 Technical Advisory Committee Meeting****June 2-3, 2015****DAY 1: Tuesday, June 2****Morning Session - 8:30 AM ET**

Welcome and Introductions (Monique Evans and Roya Amjadi – FHWA)

Local Initiatives for Safety Programs

*Red Light Indicator Lights Evaluation (Scott Himes – VHB)*

*Township Signage Program (Michael McNeill – ODOT)*

*Local Roads Safety Improvements (Brian Hurst – TDOT)*

*FHWA Data Collection Improvement Efforts and Local Data Integration (Stuart Thompson - FHWA)*

**BREAK**

Speed Management and Safety

*Impacts of Raising Speeds on Freeways/Non-Freeways (Mark Bott – MDOT)*

*Speed Management in Kansas (Steven Buckley – KDOT)*

*Speed Evaluation Considerations (Frank Gross – VHB)*

*FHWA Speed Management Efforts (Guan Xu – FHWA)*

**Lunch – 12:00 PM ET****Afternoon Session - 1:00 PM ET**

*AASHTO Update on HSM (Kelly Hardy – AASHTO)*

Advancing CMF Research

*Continuous Green-T Intersection Evaluation (Eric Donnell – Penn State University)*

*Focus Crash Types and Risk Factors (Frank Gross – VHB)*

*CMF Short List (Jennene Ring – WSDOT)*

*FHWA Updates (Karen Scurry – FHWA)*

**BREAK**

Pedestrian and Bicyclist Safety Countermeasures

*Pedestrian Countdown Signals Evaluation (Daniel Carter – UNC-HRSC)*

*Joint Efforts of MassDOT/DPH (Lisa Schletzbaum – MassDOT)*

*Safety Action Plan (Rob Limoges – NYSDOT)*

*Guidelines for Treatment of Uncontrolled Crosswalks (P.D. Kiser – NDOT)*

**BREAK**

Intersection Safety

*South Carolina Signalized and Stop-Controlled Intersection Evaluations (Frank Gross – VHB)*

*RCUT (Joe Hummer)*

*Upcoming FHWA Opportunities (Karen Scurry – FHWA)*

*Marketing and Communicating Results (Patty Hardee – Voice)*

**Adjourn Day 1 – 5:30 PM ET**

**DAY 2: Wednesday, June 3****Morning Session - 8:30 AM ET**

Update on Phases and Looking Forward (Eccles – VHB)

Working with Small Sample Sizes in Safety Data

*Phase III Evaluations (Craig Lyon – Persaud & Lyon)*

*Motorcycle AADT Data in Crash Modeling (Craig Thor – FHWA)*

*Pedestrian Countermeasure Crash Modification Factor Study (Daniel Carter - HSRC)*

*Network Screening for Pavement Surface Friction – Four States Approaches (Introduction:*

*Richard Meininger – FHWA; Brief discussion from TAC representatives)*

**BREAK**

Systemic Approaches for Roadway Departure Crashes

*Wet Reflective Pavement Markings Evaluation (Craig Lyon – Persaud & Lyon)*

*Combination of Cable Median Barrier and Rumble Strips Evaluation (Raghavan Srinivasan – UNC-HRSC)*

*Louisiana’s Systemic Roadway Departure Project/Statewide Cable Median Barrier (Jose Rodriguez – LaDOTD)*

*Michigan Research on Cable Median Barriers (Mark Bott – MDOT)*

**Lunch – 12:00 PM ET****Afternoon Session - 1:00 PM ET**

ITS

*Intersection Conflict Warning Systems Evaluation (Scott Himes – VHB)*

*Traffic Control Devices Pooled Fund Study (Jim Shurbutt – FHWA)*

*Missouri Wrong Way Driving Initiative (John Miller – MODOT)*

*Traffic Incident Management (Paul Jodoin – FHWA)*

*SHRP 2 (Charles Fay – FHWA)*

Future Direction of the Study (All)

**Adjourn Meeting and Depart for Airports and Hotel – 3:00 PM ET**
